

Stan Moore Putting Coach

Stan Moore, the #1 Putting Coach to competitive juniors around the world. Stan's students have won over 300 tournaments during the last five years and the list continues to grow. His teaching centers around a performance putting system based on coordinated stroke lengths, timing, acceleration, plus effective green reading of distance, grade, and slope. As a premier putting coach his Academy of Putting emphasizes understanding the unique needs of competitive juniors, collegiate players, amateurs, and professionals.

Key Components of Stan's Teaching

- Performance-Driven Putting System: Focuses on stroke length, timing, acceleration, and green reading
- Systematic Approach: Utilizes a geometry and physics-based approach to identify and correct swing faults
- Technology Integration: Incorporates technology to provide students with detailed analysis and improvement plans

Moore's approach aims to equip students with understanding that will develop the necessary skills to lower their scores and achieve their goals. Stan Moore, PGA
